GOVERNORS' EXPENSES POLICY AND CLAIM FORM

This policy statement has been developed following the Education (Governors' Allowances) Regulations 1999. These regulations give Governing Bodies the discretion to pay allowances from the college budget to governors for certain expenses which they incur in carrying out their duties.

The Governing Body believes that paying governors' expenses, in specific categories as set out below, is important in ensuring equality of opportunity for all members of the community to contribute to and take part in the Forum, and so is an appropriate use of funds. The specific items allowable reflect this objective.

Governors will be entitled to claim the costs (as detailed in Appendix A) which they incur in attending meetings on behalf of the Governing Body as representatives appointed by decision of the Governing Body or its Committees and reporting back to the Governing Body or its Committees, including:-

1. Childcare or baby-sitting expenses (excluding payments to a current/former spouse or partner).
2. Cost of care arrangements for an elderly or dependent relative (excluding payments to a current/former spouse or partner).
3. The cost of travel from their home or place of work (as appropriate) by the least expensive means possible. For this purpose, travel by private car will be allowable to cover petrol costs only.

Governors will also be able to claim for the following, on a case-by-case basis and with the prior approval of the Finance & Premises Committee:-

4. The extra costs they incur in performing their duties either because they have special needs or because English is not their first language;
5. Travel and subsistence costs, payable at the current rates shown in Appendix A, associated with attending national meetings or training events, unless these costs can be claimed from another source.

Each governor will be entitled to receive one ream of A4 plain white paper each year, reflecting the use made of electronic communication for meeting agendas, minutes and related papers.

The cost of stationery, photocopying, postage and telephone calls are not allowable, save by prior approval of the Finance & Premises Committee.

Governors wishing to make claims under these arrangements should complete a claims form (obtainable from the Clerk to the Governors), attaching receipts where possible, and return it to the Clerk within One Month of the date when the expenses were incurred, when they will be submitted for approval by the Chair of Governors and payment arranged.

Claims will be subject to independent audit and may be investigated by the Chair of Governors if they appear excessive or inconsistent. The total amount of governors' expenses paid during the year will be recorded and may be viewed on request by any governor.

This policy is to be reviewed according to the policy review cycle plan by the Finance & Premises Committee.

Appendix A

Expenses shall be paid in accordance with the following:-

1. For meetings within North Somerset
Travel by private car, maximum of 50 miles per meeting, to cover petrol costs only at the HMRC rate (currently £0.45 per mile)
